

CHARACTERISTICS

Non-foaming descaler, formulated to clean and eliminate calcareous, ferruginous incrustations, etc., in circuits, rain tanks and water tanks.

HOW TO USE

Recommended dose 5-20 %. For the cleaning of circuits dilute the product in water and circulate the dilution until the total elimination of the incrustation. In cases of great incrustation, it can be necessary to drain the circuits and to repeat the operation. For manual cleanings, apply the dilution by means of industrial sprayer and let it act. For the cleaning of incrustated pieces, prepare a bath with the recommended doses, letting the pieces in soaking for 1 or 2 hours. In both cases, rub with brush and of rinse with plenty of water.

PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Liquid
Colour	Blue
Odour	Not perceptible
pH (10%)	1.3
Density (20°C)	1,33 g/ml
Water solubility	Soluble in water

PRESENTATION

10 and 20 litres container

PRECAUTION

Danger

Hazard statements: Skin Corr. 1B: H314 - Causes severe skin burns and eye damage.

Precautionary statements: P280: Wear protective gloves/protective clothing/eye protection/face protection. P301+P330+P331: IF SWALLOWED: rinse mouth. Do NOT induce vomiting. P303+P361+P353: IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. P304+P340: IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P310: Immediately call a poison center/doctor. Do not ingest. Keep out of the reach of children. In case of accident, consult to the Medical Service of Toxicological Information Tel. 0034 915 620 420.

Substances that contribute to the classification: Phosphoric Acid.

ADDITIONAL INFORMATION

While the above information is correct to our criteria, as the conditions of use of the product are beyond our control, we disclaim any responsibility for incorrect use of the product.
