Data sheet

DETERSOL BIO Enzymatic wash detergent

CHARACTERISTICS

DETERSOL BIO is a specific washing detergent with a formulation of high content in special proteolytic enzymes for industrial washing. This characteristic endows the product with a high efficiency on stains of biological origin (blood, milk, eggs, chocolate, oil, rust, etc.). Its balanced composition based on surfactants and sequestering makes it very effective in hard water and at any temperature. It contains optical bleaches stable to chlorine and it can be used with any type of optical oxidizing brighteners.

HOW TO USE IT

Dose 10-20 grams of DETERSOL BIO per kilogram of dry clothes depending on the degree of soiling and water hardness into the box of the washing machine or directly into the drum.

For greater effectiveness, it is recommended to prewash, add bleach and increase washing temperature depending on the type of tissue.

PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Solid granulate
Colour	White
Odour	Characteristic
pH (1%)	11,75
Density (a 20°C)	900 gr/lt
Solubility	Easily soluble

PRESENTATION CONATINER

10 and 25 Kg bags

PRECAUTION

Hazard statements: Skin Corr. 1B: H314 - Causes severe skin burns and eye damage. EUH208: Contains Subtilisin. May produce an allergic reaction.

Precautionary statements: P301+P330+P331: IF SWALLOWED: rinse mouth. Do NOT induce vomiting. P303+P361+P353: IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. P304+P340: IF INHALED: Remove person to fresh air and keep comfortable for breathing. P310: Immediately call a POISON CENTER or doctor/physician. Do not ingest. Keep out of the reach of children. In case of accident, consult to the <u>Medical Service of Toxicological Information</u> Tel. 0034 915620420

Substances that contribute to the classification: Disodium metasilicate; Alcohols, C12-15, ethoxylated.

ADDITIONAL INFORMATION

While the above information is correct to our criteria, as the conditions of use of the product are beyond our control, we disclaim any responsibility for incorrect use of the product.
