

FLAS POLVO MOPAS

Mop polisher on aerosol form

CHARACTERISTICS

FLAS POLVO MOPAS is specially formulated for wet sweeping and maintenance of gloss in any type of floor (crystallized, waxed, stoneware, ceramic, parquet, etc.). It acts fixing the dust on the fringes of the mop, without lifting it, avoiding letting it fall back to the floor.

HOW TO USE

To avoid impregnating the product floor, spray the product about 20 cm directly on the mop and wait a few minutes before using it, allowing the mop to absorb the product and be completely uniform on the fringes and rest of the fabric. Proceed to pass the mop in the usual way, leaving the floor clean and bright, leaving a pleasant aroma in the environment.

PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Transparent liquid
Colour	Yellowish
Odour	Not relevant
pH	Not relevant
Density	0.6 +/- 0.1 g/ml
Solubility	Not relevant

PRESENTATION

1000 cc spray

PRECAUTION

Danger

Hazard indications: Aerosol 1: H229: Pressurized container: may burst if heated H222: Extremely flammable aerosol. Aquatic Chronic 3: H412 - Harmful to aquatic life with long-lasting effects. Skin Irrit. 2: H315 - Causes skin irritation. Eye Irrit. 2: H319 - Causes serious eye irritation. STOT SE 3: H336 - May cause drowsiness or dizziness.

Precautionary advice: P101: If medical advice is needed, have product container or label at hand. P102: Keep out of reach of children. P210: Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. P211 Do not spray on an open flame or other ignition source. P251: Do not pierce or burn, even after use. P302+P352: IF ON SKIN: Wash with plenty of water. P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. P410+P412: Protect from sunlight. Do not expose to temperatures exceeding 50 °C/122 °F. P501: Dispose of contents and / or containers in accordance with regulations on hazardous waste or packaging and packaging waste respectively. Do not ingest. Keep out of the reach of children. In case of accident, consult the Medical Service of Toxicological Information Tel. 0034 915 620 420.

Substances that contribute to the classification: Not relevant

ADDITIONAL INFORMATION

While the above information is correct to our criteria, as the conditions of use of the product are beyond our control, we disclaim any responsibility for incorrect use of the product.
