

## KENEX PRF

### Paraffin protection cleaner

#### CHARACTERISTICS

Specially formulated to remove the paraffin layer that protects new vehicles in certain brands.

#### HOW TO USE

Wash and dry the bodywork before applying the product in order to remove grit and dirt that might scratch the paint in the dewaxing process.

Pulverize the vehicle body with pure KENEX PRF and leave it act for ten minutes, then rub with a sponge or cloth moistened with the product until the elimination of the wax layer.
