

## LAVAPER PLENO

### Complete detergent

#### CHARACTERISTICS

LAVAPER PLENO is a liquid detergent of high quality and performance for washing textiles. Due to its special formulation is effective in any water hardness. The product acts well with both hot and cold water, taking into account that the higher the temperature is, the higher is its effectiveness in removing stains. Leave the clothes clean, deodorized, with a nice touch and lightly scented. It is recommended to be careful with delicate textiles (viscose, wool, silk...etc.) checking the results in a non-visible area.

#### HOW TO USE

LAVAPER PLENO is specifically formulated for automatic dosing systems, dosing 5-25 ml of the product per kilo of dry clothes depending on the degree of soiling and water hardness. In case of manual dosing, dilute previously the detergent with water (10 %).

#### PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Liquid
Colour	Yellow
Odour	Pleasant
pH (10 %)	13.2
Density (20 °C)	1060 kg/m <sup>3</sup>
Solubility	Easily soluble in water

#### PRESENTATION

20 litres container
