

LAVAPER TP-10

Upholstery and carpet cleaner

CHARACTERISTICS

It is a strong detergent formulated to clean upholstery, carpets and rugs, even the dirtiest. For its versatility and great effectiveness in the cleaning of any kind of fabric and washable surface, it's the most suitable for the interior car cleaning, like upholstery, eliminating the smell of tobacco. If used with automatic injection/extraction, antifoam should be added in the detergent tank.

HOW TO USE

Spray the surface with a dilution of the product between 5-10 %, let it act and wipe with sponge, cloth or fabric brush. To obtain optimal results wipe several times by rinsing and draining the cloth or sponge in each operation. If used with machine injection / extraction, taking in account the addition of antifoam.
