

LUBACIN A-DA
Bactericidal and virucidal
of fast evaporation

CHARACTERISTICS

Efficient and versatile disinfectant without dye or perfume with rapid evaporation indicated for its application on any type of surface, both for Environmental and Food Hygiene.

Formulated with a mixture of alcohols and quaternary ammonium, it can be applied in breaks or in-between food production processes to avoid cross contamination.

Microbiological properties on chemical disinfectants and standards that meet:

Standard UNE-EN 13697:2015 for the evaluation of bactericidal activity of chemical disinfectants used in food, industrial, domestic and institutional areas.

Bactericidal activity at 5 minutes (*Pseudomonas aeruginosa*, *Staphylococcus aureus*, *Enterococcus hirae*, *Escherichia coli*, *Salmonella typhimorium* and *Listeria monocytogenes*).

UNE-EN 14476:2013+A2:2019 standard for the virucidal activity of chemical disinfectants and antiseptics used in the medical area.

Virucidal activity after 5 minutes (Polivirus type 1, Adenovirus type 5 and murine Norovirus).

HOW TO USE

Apply pure by means of a trigger spray, always in the absence of food and after thoroughly cleaning the surfaces and equipment to be treated, leaving it to act for 5 minutes and wipe with a clean cloth or cellulose. Rinse surfaces that will be in contact with food with drinking water.

Application by professional staff.

Nº Inscription Plague Registry: 21-20/90-02976 and 21-20/90-02976 HA

PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Liquid
Colour	Colourless
Odour	Odourless
pH	8.5
Density (20 °C)	920 kg/m ³
Solubility	Soluble in water

PRESENTATION

750 ml, 5 and 10 litres container

PRECAUTION

Warning

Hazard statements: Eye Irrit. 2: H319 - Causes serious eye irritation. Flam. Liq. 3: H226 - Flammable liquid and vapour. STOT SE 3: H336 - May cause drowsiness or dizziness.

Precautionary statements: P210: Keep away from heat/sparks/open flames/hot surfaces. No smoking. P261+P271: Avoid breathing vapours. Use only outdoors or in a well-ventilated area. P280: Wear protective gloves/protective clothing/eye protection/face protection. P403+P235: Store in a well-ventilated place. Keep cool. P501 Dispose of the contents/containers in accordance with the current legislation on waste treatment

Supplementary information: Read the label carefully before using the product. Do not ingest. Keep out of reach of children. In case of accident, consult the Medical Service of Toxicological Information Tel. 0034 915 620 420.

Contains: Didecyltrimethylammonium chloride (0.15 %) and Aliphatic alcohol and excipients (q. s. f. 100 %).

ADDITIONAL INFORMATION
