

## MILANE PRO

Perfumed concentrated laundry  
softener

### CHARACTERISTICS

Special fabric softener based on natural materials and formulated to give softness, fluffiness and a nice touch to clothes. It removes static electricity, making it easier to iron later on. Its perfume made of essential oils permeates the tissues of a natural, fresh and pleasant aroma. Its elaborated formulation can be used in all types of fabrics and both manual and automatic washing. Combined with our range of detergents DETERSOL, you get a flawless finish.

### HOW TO USE

Dose in the last rinse water with the following dosage:

Cotton and wool 6-8 g / kg of clothes.

Woven fabrics of synthetic fibers 4-6 g / kg of clothes.
