

MILANE SET

Fabric softener neutralizing residual chlorine and alkalinity

CHARACTERISTICS

MILANE SET is a highly concentrated product specifically formulated as both a softener additive for tissues and a neutralizer for any trace of alkalinity from chlorine and detergent in automatic washing processes.

It is not aggressive with fabrics and colors in both natural and synthetic fibers.

It provides fabrics with special softness, fluffiness, touch and pleasing fragrance and antistatic effect.

HOW TO USE

To apply properly MILANE SET for both manual and automatic, it will be carried out in the final rinse. The dose might vary between 5-10 gr per product per kilo of dry clothes
