

**NETTION DF****Multipurpose cleaner & degreaser****CHARACTERISTICS**

An active and energetic highly concentrated cleaner, effective in removing dirt and grease of all kinds, with fresh aroma of balsamic effect and deodorant. It's a product of moderate alkalinity and high detergent and degreaser power, an ideal product for multipurpose cleaning. Due to his effectiveness and economy of use, it is indicated for any washable surfaces like kitchens, floors, tiles, automobiles, machinery, upholsteries and walls. Multipurpose foodservice, communities, industry and automotive.

**HOW TO USE IT**

The high concentration offer possibility for low dilutions, depending on the type of surface and cleaning. Usually 10-100 ml per liter. Can used just pure, for cleaning heavily embedded dirt or heavily oiled surfaces.

In general cleaning apply it by spray, mop or cloth. Finally rinse with water or removing the dirt with cloth or cellulose.

For the cleaning of floors, dose 50 ml per bucket of water (8-10 l), double the dose for stubborn soils.

**PHYSICAL AND CHEMICAL PROPERTIES**

Appearance	Transparent liquid
Colour	Green
Odour	Pine
pH (10%)	11.4
Density (20 °C)	1050 kg/m <sup>3</sup>
Solubility	Soluble in water

**PRESENTATION**

Containers of 1, 5, 10 and 20 litres

**PRECAUTION**

Warning

**Hazard statements:** Eye Irrit. 2: H319 - Causes serious eye irritation.  
Skin Irrit. 2: H315 - Causes skin irritation.
