

**NETTION FR-50****Foaming shampoo upholstery  
and carpets****CHARACTERISTICS**

Active foaming upholstery and carpets cleaner with high degreasing power, which enhances the colours and does not punish the fibres. Provides a creamy foam that remains emulsified and suspended dirt stuck in textile fibres, leaving no residue that promote re-soiling. It can be used manually or with rotating.

**HOW TO USE**

Thoroughly vacuum upholstery or carpet to be cleaned and diluted in water NETTION FR-50 at doses from 1:20 to 1:10, depending on the dirt to be removed.

Manual Cleaning: Do dilution in a bucket, preferably with hot water and stir to make foam. Apply, rub the fabric with a brush, let dry and vacuum.

Rotary machine with foam equipment: Fill the machine with dilution and generously apply the foam on the carpet, giving slow passes and overlapping them. Let dry and vacuum. It can be used pure as a pre-treatment for stains before cleaning.

**PHYSICAL AND CHEMICAL PROPERTIES**

Appearance	Liquid
Colour	Yellow
Odour	Fruit
pH (10%)	9
Density (20 °C)	1023 kg/m <sup>3</sup>
Solubility	Soluble in water

**PRESENTATION CONATINER**

5 and 10 litres containers

**PRECAUTIONS**

Warning

**Hazard statements:** Eye Irrit. 2: H319 - Causes serious eye irritation.
