

**NETTION BMF-90**  
**Polish cleaner without foam.**  
**For scrubber machines**

**CHARACTERISTICS**

NETTION BMF-90 is a neutral, pleasantly scented, self-shining emulsion cleaner for floors. Specially formulated for using with scrubbers machines, it is indicated in all washable surfaces where a total absence of foam and a renewal of brightness in areas of greater traffic is required.

**HOW TO USE,**

Depending on the dirt to remove, the floor conditions and intensity of the desired bright, dose NETTION BMF-90 between 2-5% into the deposit of clean water of the machine and use it for the washing with the red nylon brush or the red fibre disc. In order to obtain a greater brightness, rub when dry afterwards with white disc or microfiber. It can also be used manually, taking into account the absence of foam.
