

NETTION CL-GEL

Cleansing gel and chlorine bleach

CHARACTERISTICS

High-acting chlorinated, whitening and deodorizing gel cleaner indicated for surface cleaning. It cleans, whitens and deodorizes in a single operation, leaving on the surface a splendid appearance and a pleasant clean smell.

NETTION CL-GEL is the ideal product for the maintenance of kitchens, bathrooms, floors, etc.

HOW TO USE

Apply pure product for cleaning surfaces and toilets, letting it act for some seconds and scrub with white scourer or brush, then rinse with water. For general cleaning it can be diluted in water at a ratio of 50-100 ml per bucket (8-10 litres).

PHYSICAL AND CHEMICAL PROPERTIES
