

Perfume FLAMENCO AMBIANCE

Concentrated perfume
Manual spray

CHARACTERISTICS

The concentrated perfume FLAMENCO AMBIANCE for Scent Marketing is formulated in order to awaken emotions and feelings, using the sense of smell as a new channel of communication, much more powerful and effective than sight or hearing.

It is formulated with a high content of essential oils of great quality and has a great persistence. Likewise, in the careful selection of its fragrance has been taken into account the adaptation to any type of establishment, creating pleasant environments that are a complete sensory experience and promote social relationships.

Olfactory family: Floral.

Notes: Fresh fruit at the start, such as pineapple and cassis, with a body of rose, gardenia and violet. At the base of sweet vanilla and cinnamon nuances.

Sensory perception:

Amazing perfume with a lot of character, formulated to create a distinguished, classy atmosphere and of great acceptance.

HOW TO USE

The FLAMENCO AMBIANCE perfume is used with manual spray in all types of establishments or environments and if necessary can also be used to reinforce the aromatic intensity of the super concentrated FLAMENCO INTENSE perfume used in our aroma diffusers.

Spray the product directing the shot upwards to facilitate the dispersion of the fragrance, the indicated dose being conditioned by the volume of the room and the desired aroma intensity.
