

Perfume FUNK INTENSE

Super concentrated perfume for use in
aroma diffusers of Scent Marketing

CHARACTERISTICS

The super concentrated perfume FUNK INTENSE for Scent Marketing is formulated based on high quality essences in order to awaken emotions and feelings, using the sense of smell as a new channel of communication, much more powerful and effective than sight or hearing.

In the careful selection of its fragrance has been taken into account the adaptation to any type of establishment, creating pleasant environments that are a complete sensory experience and promote social relationships.

Olfactory family: Chypre.

Notes: Fresh and clean at the start, with facets of citrus and ozone, floral heart of rose, geranium, orris and clove and with a clean and sensual background of gray amber and cedar wood perfume.

Sensory perception:

Floral, fresh, jovial, soft and surprising aroma that awakens emotions and is indicated in daring, carefree and younger environments.

HOW TO USE

Fill the perfume tank of the Aroma Diffuser with FUNK INTENSE and regulate the nebulisation rate according to the dimensions of the room and the desired aroma intensity.
