

Perfume JAZZ INTENSE

Super concentrated perfume for use in
aroma diffusers of Scent Marketing

CHARACTERISTICS

The super concentrated perfume JAZZ INTENSE for Scent Marketing is formulated based on high quality essences in order to awaken emotions and feelings, using the sense of smell as a new channel of communication, much more powerful and effective than sight or hearing.

In the careful selection of its fragrance has been taken into account the adaptation to any type of establishment, creating pleasant environments that are a complete sensory experience and promote social relationships.

Olfactory family: Floral.

Notes: Watermelon and bergamot at the start, with basil, lemon verbena and lavender on its body and notes of tonka bean, cashmere, coumarin and patchouli as a base.

Sensory perception:

Soft, fresh and relaxing citrus-marine perfume of immediate and spontaneous acceptance due to its successful aroma that reminds of the Mediterranean coast.

HOW TO USE

Fill the perfume tank of the Aroma Diffuser with JAZZ INTENSE and regulate the nebulisation rate according to the dimensions of the room and the desired aroma intensity.
