

Perfume ROCK INTENSE

Super concentrated perfume for use in
aroma diffusers of Scent Marketing

CHARACTERISTICS

The super concentrated perfume ROCK INTENSE for Scent Marketing is formulated based on high quality essences in order to awaken emotions and feelings, using the sense of smell as a new channel of communication, much more powerful and effective than sight or hearing.

In the careful selection of its fragrance has been taken into account the adaptation to any type of establishment, creating pleasant environments that are a complete sensory experience and promote social relationships.

Olfactory family: Woody aromatic.

Notes: Exit to oud, bergamot and cystus, with an enveloping perfume on the body of cedar wood, bougainvillea and patchouli and notes of tobacco, cedar wood and vanilla background.

Sensory perception: Fresh, cleansed and cheerful perfume of bold masculine/unisex aroma that highlights the aromatic well-being and enjoys guaranteed success in any environment.

HOW TO USE

Fill the perfume tank of the Aroma Diffuser with ROCK INTENSE and regulate the nebulisation rate according to the dimensions of the room and the desired aroma intensity.
