

Perfume BLUES INTENSE

Super concentrated perfume for use in
aroma diffusers of Scent Marketing

CHARACTERISTICS

The super concentrated perfume BLUES INTENSE for Scent Marketing is formulated based on high quality essences in order to awaken emotions and feelings, using the sense of smell as a new channel of communication, much more powerful and effective than sight or hearing.

In the careful selection of its fragrance has been taken into account the adaptation to any type of establishment, creating pleasant environments that are a complete sensory experience and promote social relationships.

Olfactory family: Floral.

Notes: Fresh and enveloping lemon and rose, with musk, lily and star anise in the heart and base of dry wood and white moss.

Sensory perception:

Warm, soft pink, cozy, uniform, very pleasant and lasting aroma of extraordinary acceptance in any public space.

HOW TO USE

Fill the perfume tank of the Aroma Diffuser with BLUES INTENSE and regulate the nebulisation rate according to the dimensions of the room and the desired aroma intensity.
