

Perfume COUNTRY INTENSE

Super concentrated perfume for use in
aroma diffusers of Scent Marketing

CHARACTERISTICS

The super concentrated perfume COUNTRY INTENSE for Scent Marketing is formulated based on high quality essences in order to awaken emotions and feelings, using the sense of smell as a new channel of communication, much more powerful and effective than sight or hearing.

In the careful selection of its fragrance has been taken into account the adaptation to any type of establishment, creating pleasant environments that are a complete sensory experience and promote social relationships.

Olfactory family: Fruity floral.

Notes: Freesia, grapefruit and blackcurrants at the start, with apple and passionflower flowers, lily of the valley and rose in the heart and bottom of vetiver and musk.

Sensory perception:

Its elegant perfume, intense, enveloping and with a certain sensuality make it suitable for the most exclusive environments.

HOW TO USE

Fill the perfume tank of the Aroma Diffuser with COUNTRY INTENSE and regulate the nebulisation rate according to the dimensions of the room and the desired aroma intensity.
