

Perfume GOSPEL INTENSE

Super concentrated perfume for use in
aroma diffusers of Scent Marketing

CHARACTERISTICS

The super concentrated perfume GOSPEL INTENSE for Scent Marketing is formulated based on high quality essences in order to awaken emotions and feelings, using the sense of smell as a new channel of communication, much more powerful and effective than sight or hearing.

In the careful selection of its fragrance has been taken into account the adaptation to any type of establishment, creating pleasant environments that are a complete sensory experience and promote social relationships.

Olfactory family: Woody spicy.

Notes: Pleasant exit to green mandarin, jasmine and mugwort, sandalwood and vanilla body and cashmere wood, musk and patchouli background.

Sensory perception: Youthful male perfume, refreshing and fun, with high performance and great ambience that has very positive experiences.

HOW TO USE

Fill the perfume tank of the Aroma Diffuser with GOSPEL INTENSE and regulate the nebulisation rate according to the dimensions of the room and the desired aroma intensity.
