

Perfume SALSA INTENSE

Super concentrated perfume for use in
aroma diffusers of Scent Marketing

CHARACTERISTICS

The super concentrated perfume SALSA INTENSE for Scent Marketing is formulated based on high quality essences in order to awaken emotions and feelings, using the sense of smell as a new channel of communication, much more powerful and effective than sight or hearing.

In the careful selection of its fragrance has been taken into account the adaptation to any type of establishment, creating pleasant environments that are a complete sensory experience and promote social relationships.

Olfactory family: Fruity floral.

Notes: Pleasant exit to mango, nectarine and orange, body lotus flower, water lily, coconut milk, raspberry and musk and sandalwood as a base.

Sensory perception: Powerful, pleasant and young tropical fruity fragrance, with exclusive floral nuances that reminds the warmth of certain faraway destinations.

HOW TO USE

Fill the perfume tank of the Aroma Diffuser with SALSA INTENSE and regulate the nebulisation rate according to the dimensions of the room and the desired aroma intensity.
