

Perfume SOUL INTENSE

Super concentrated perfume for use in
aroma diffusers of Scent Marketing

CHARACTERISTICS

The super concentrated perfume SOUL INTENSE for Scent Marketing is formulated based on high quality essences in order to awaken emotions and feelings, using the sense of smell as a new channel of communication, much more powerful and effective than sight or hearing.

In the careful selection of its fragrance has been taken into account the adaptation to any type of establishment, creating pleasant environments that are a complete sensory experience and promote social relationships.

Olfactory family: Spicy Oriental.

Notes: Exit to bergamot and acid lime, with heart of star anise, olive flower and gaiac wood, and notes of leather, tobacco and tonka bean.

Sensory perception: Distinguished gently spiced and exotic male perfume that boasts an exclusivity, purity and exceptional quality.

HOW TO USE

Fill the perfume tank of the Aroma Diffuser with SOUL INTENSE and regulate the nebulisation rate according to the dimensions of the room and the desired aroma intensity.
