

SABOMANS ESPUMA

Very foaming liquid soap
for cleaning hands

CHARACTERISTICS

High quality liquid sink, fragrant and sparkling, with soft power detergent and good skin tolerance, indicated in light dirt and specially formulated for foam-dispensers in hotels, industry, communities, etc. It has a slightly acidic pH and components that help maintain the natural balance of the skin, leaving it clean, hydrated and softly scented.

HOW TO USE

Wet hands, apply a dose of gel and rub until rich plenty of foam, then rinse with water.
