

SANIOLEX SP

**Air Freshener - Toilet Deodorant
Special**

CHARACTERISTICS

SANIOLEX SP is specifically formulated for the ambience and deodorization of washbasins and toilets in general, especially those for public use in hospitality and catering.

The perfume and deodorant acts 12-24 hours, depending on the dose used, the characteristics of the toilet and its ventilation.

HOW TO USE

To obtain the maximum performance of the product and due to its concentration in essences, it is advisable to spray or pour a small amount into the toilet corners, preferably on tiles. Don't apply by spraying the air.
